HOW TO BUY WASDAQ WITH A DIGITAL WALLET ?

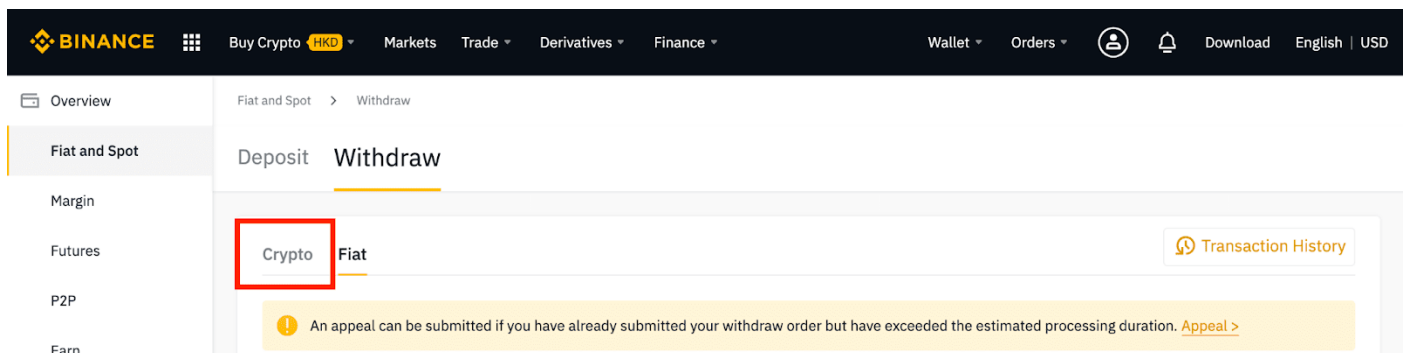

(METAMASK, TRUSTWALLET* ETC.)

- **Step 1** – Download **TrustWallet*** or **Metamask**
- **Step 2** – Sign up for **Binance**, **Coinbase** or any centralized exchange
- **Step 3** – Buy **BNB** on this platform after depositing some USD, EUR or other currency
- **Step 4** – Withdraw your **BNB** funds and send it to your wallet (example with *Binance*)

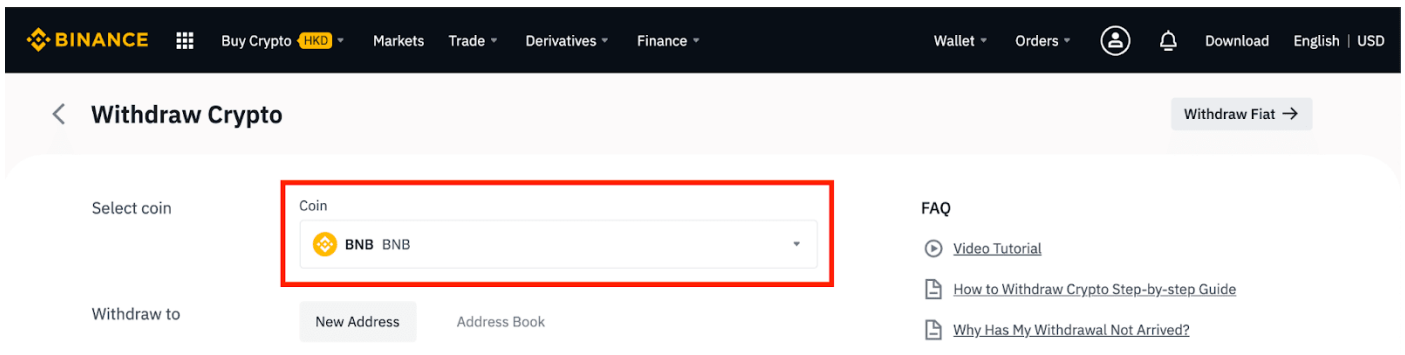

01 Click Withdraw

02 Click Crypto

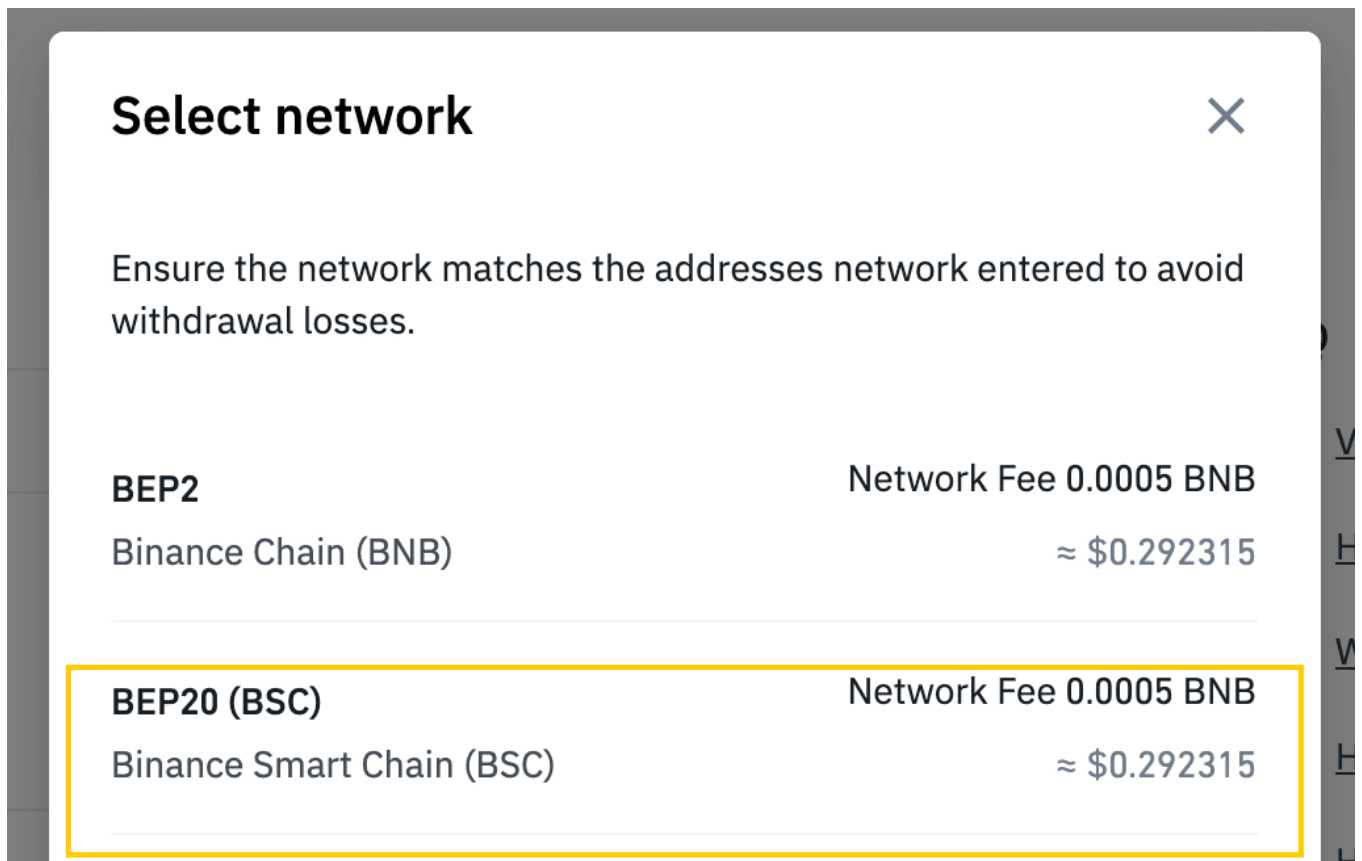

03 Select BNB.

04 Select Network

If you use Metamask, you need to **set up Binance Smart Chain on Metamask**, => [Follow the guide here](#)

Choose **Binance Smart Chain (BEP20)**

Please choose the network carefully and make sure that the selected network is the same as the network of the platform you are withdrawing funds to. **If you select the wrong network, you will lose your funds.**

05 Enter the recipient address or select from your address book.

Select coin: Coin: BNB BNB

Withdraw to: New Address Address Book

Address: Enter address here

Network: BEP2 Binance Chain (BNB)

MEMO: Optional

Confirm if the receiving address requires a MEMO

FAQ: Video Tutorial, How to Withdraw Crypto Step-by-step Guide, Why Has My Withdrawal Not Arrived?, How to Find My Transaction ID (TxID)?, How to Recover My BEP-20 Tokens?

06 Enter the withdrawal amount and you will be able to see the corresponding transaction fee and the final amount you will receive. Click Withdraw to proceed.

Select coin: Coin: BNB BNB

Withdraw to: New Address Address Book

Address: [Blurred Address]

Network: BEP20 (BSC) Binance Smart Chain (BSC)

➤ **Step 5** – After validation process and few minutes, your BNBs will appear on **your wallet**

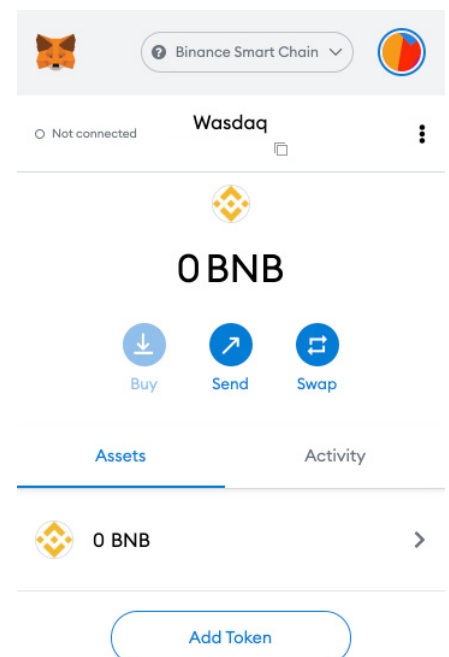

To see your WSDQ in your wallet, you need to add a token.

Contract address :

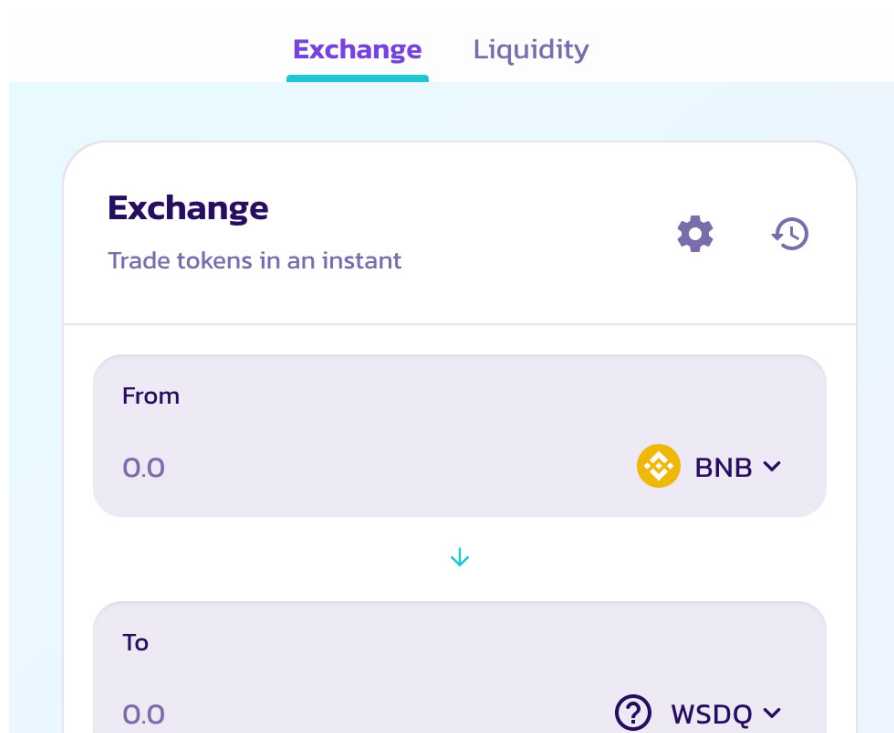

0xafc4d521df3c0566d61931f81f02f1a525bad04d

Symbol : WSDQ

Decimals : 9

- **Step 6** – Go on your dApp browser and paste this address (or click [here](https://pancakeswap.finance/swap?outputCurrency=0xafc4d521df3c0566d61931f81f02f1a525bad04d)) :
<https://pancakeswap.finance/swap?outputCurrency=0xafc4d521df3c0566d61931f81f02f1a525bad04d>
- **Step 7** – Check the box **‘I understand’** and click on **‘Import’**
- **Step 8** – Connect your wallet with the top left-right corner button
- **Step 9** - Click on the first **“Select a Currency”** and choose **BNB** and on the 2nd **“Select a Currency”** choose **WSDQ** (*Wasdaq Token*)
